

[A Letter from the Director](#)

I am excited to offer you a great opportunity to attend a camp that will not only build your soccer skills, but will change your life.

At Victory Soccer Camp you will receive outstanding soccer training. I am confident in our coaching staff's ability to develop your skills and increase your understanding of the game. We accomplish this through skill sessions, small-sided matches, and game situations. We also maintain a 12 to 1 player to coach ratio so that you receive quality instruction.

Most importantly, you will be challenged to grow in Christ. It is my desire to motivate you to be Christ-like in your game, at your school, and on your team.

Are you ready to be challenged? Come join us this summer and experience a powerful week in your life.

Serving God through soccer,
